ELIGIBILITY AND ENTRIES

Open to all active USBC youth.

Marathon Entry - \$170. This allows the bowler to participate in all four shifts. There are a total of 36 marathon spots available for the girls bracket and 36 marathon spots for the boys bracket. All marathon spots are division (average) non-specific. **Single Entry - \$50.** This allows bowler to participate in any one shift of their choice. Bowler may participate (pay) for multiple shifts, see registration. **All Single Entries are on a first come basis and are gender/average non-specific.** A minimum of 64 single entries available (16 per shift). All entries close when maximum amount have been received or the entry deadline has passed. Entry Deadline for all entries is December 15, 2025. Entries received past entry deadline will NOT be accepted even if tournament is not full.

FORMAT

Youth will bowl 3 games across 6 lanes for each shift entered. Lanes will be conditioned Saturday before 1st shift (9am), 4th shift (530 pm) and prior to the Sunday Finals. Scores for each bracket and division will be posted on the leader's board at the conclusion of each shift. Handicap will be applied throughout tournament for Handicap Division bowlers. Averages based on 2024-2025 fall season. **Those without a 2024-2025 fall average may use their highest 2025-2026 fall average with a minimum 28 games.** Handicap is 100% of 200. Any bowler may compete in the Scratch Division regardless of average, however, they will not receive any handicap during qualifying or finals. Scratch bowlers (those with greater than 200 average must bowl the scratch division). The top 5 high series in each division after the 7pm shift Saturday January 10th will advance to the finals on January 11th, 2026 at 9am. The 6th and final spot (wildcard) in each division is determined by the bowler with the most accumulative pin count for all squads and did not qualify in the Top 5. This 6th bowler also bowls on January 11th at 9am.

SUNDAY FINALS

Scheduled for 9am on January 11th, 2026, for all qualifying bowlers. Each division will consist of Round Robin Match-play. Scores calculated based on +/- 200 format with Handicap. Bowler who wins match will gain an additional 30 bonus pins. After the completion of Divisional Round Robin Match-Play the **top boy and girl, from each division**, will move forward to the step-ladder Finals. Seeding will be determined by total pins +/- 200 with Handicap including bonus pins. Step-ladder finals are single game elimination matches. First step-ladder match will be between the 2nd place qualifier and the 3rd place qualifier with the top seed having a bye. Winners from the girl step-ladder and boy step-ladder will bowl one match for the IRON-YOUTH Championship.

SCHOLARSHIPS

All scholarship money collected will be placed in USBC SMART account #10510 and assigned to the participants. All bowlers making the Sunday finals will receive scholarship monies. Any and ALL Sponsorship monies will be added to scholarships 100% return. Donations welcome!
