USBC Cert# 04051

# WELCOME TO THE GRIND!! Read the RULES Cert # 04081

- 2024 IRONMAN consists of 10 shifts, with two entry options: 1) Full Marathon, \$260, bowl any or all 10 shifts w/78 total entries available, 39 handicap/39 scratch. 2) Half Marathon, \$180, bowl any/all of 5 preselected shifts w/20 total entries available, 10 handicap/10 scratch. Half Marathon entries have a choice of 1 of 2 shift packages (Pkg), see below. Entry deadline for ALL entries is July 14, 2024. No refunds on accepted entries.
- First place \$6,000 "minimum" guaranteed. **Bowler (Marathon or Half Marathon) must participate and complete a minimum of 5 shifts to win \$6,000.** Bowlers participating or completing less than 5 shifts and becomes the 2024 IRONMAN Champion will receive \$4,000 top prize. Remaining \$2,000 will be distributed through all other places.
- Must be a USBC member in good standing. PBA, PBA50, PWBA and non-PBA/PWBA members that have 1) won a national title or 2) won a regional title in the past 5 years are not eligible. Exception: If title came after entry into 2024 IRONMAN or are a past IRONMAN champion.
- Two divisions – Handicap, based on 90% of 220 ( max 45 pins) and Scratch. Only handicap bowlers (average 219 or less) may bowl in the handicap division. Bowlers will use their highest book average of 2023-24 fall season or 2023 IRONMAN tournament average (minimum 15 games).
- Sign-in opens 1 hour prior to each shift and closes when the lane lights come on for practice.
- No headphones, ear buds, etc. may be used while bowling. Devices may be used anywhere except on the approaches and lanes.
- Clothing that displays any profanity or exposed body parts not appropriate to our bowlers or spectators will not be allowed.
- All USBC rules in relationship to balls and equipment will be enforced.
- Practice consists of 2 balls (only) on each lane of your starting pair.
- Each shift consists of 3 games across 6 lanes moving one pair to the right after each game. Bowlers must complete all 3 games of each shift they start. **Not finishing or dropping before games are completed, regardless of reason, will eliminate the bowler from participating in their following scheduled shift. Shift not finished/completed will not count as a shift towards the 5 required for the top prize. If bowler drops during the 10<sup>th</sup> shift they will be disqualified from the tournament plus director reserves option, depending on situation, to eliminate bowler from following years event. This includes bowlers on or not on the final leaderboard. Don't start a shift if you do not intend to finish!**
- Participants are required to bowl at a pace that allows shift completion within the allotted squad times.
- Auto-seed shifts are for full marathon bowlers only. Handicap division August 3, at 8 am and scratch division August 4, at 8 am. The bowler with the highest score advances to the qualifying round (QR). Handicap division will include handicap. Winning auto-seed does not preclude bowler from needing 5 shifts for the \$6,000 first place money. Bowlers winning the auto seed will come off leaderboard (if previously on it).
- One bowler from each division with the most pins at the end of the 10<sup>th</sup> shift that does not make the leaders board will get an invite to the QR. Handicap division will be scratch score plus handicap for calculating advancement.
- Individual score sheets must be turned in to tournament desk at the conclusion of each shift. Leaderboard will be updated after each squad showing the current cut. After the 10<sup>th</sup> shift the final board update will identify those qualifying for the next round.
- Top 19 bowlers (scores), 1 auto-seed and 1 most pins bowler from each division will advance to the QR on August 4, at the conclusion of the 10<sup>th</sup> shift. A total of 42 bowlers move onto the qualifying round.
- QR is 3 games across 6 lanes cut to top 16 in each division to the bracket finals. Only bowlers (32) making the bracket finals cash.
- Bracket finals are a continuation of the double elimination format. Championship match(s) consist of Handicap vs. Scratch bracket winners.
- The female and male at the conclusion of the 10<sup>th</sup> shift with the most accumulative pins will receive a ball of their choice (per availability). Balls donated by Bowler's Essential Equipment. Drilling not included.
- **All prize money will be awarded at the conclusion of tournament on August 4, 2024. As always!!**
